- Peer Counselling

About Me

I am a results-driven Software Engineering student with hands-on experience in web development, specializing in React, HTML, JavaScript, and CSS. I developed the GOA Kenya church website and gained practical experience at GODAN. Adaptable and eager to learn, I embrace challenges, accept feedback, and strive for excellence with a strong work ethic and attention to detail.

Experience

Glory Outreach Assembly

Freelance Web Developer *8 / 2024 - Current*

- Designed and developed a fully functional website for GOA Kenya using React, HTML, JavaScript, and CSS.
- Integrated Contentful as a CMS for dynamic content updates.
- Ensured a responsive and visually appealing UI, optimizing user experience.

GODAN - Global Open Data of Agriculture and Nutrition

Software Engineering Attachee *4 / 2024 - 8 / 2024*

- Assisted in software development tasks, gaining hands-on experience in web development.
- Worked with a team to enhance and maintain web applications.
- Applied problem-solving skills to debug and optimize code.
